GEORGIA VOWS TO REMOVE ALL ILLEGAL MIGRANTS AFTER RECORD DEPORTATIONS

-

24.06.2026

Xinhua (24 June 2026)

Georgian Prime Minister Irakli Kobakhidze said Tuesday that the country's goal is to ensure that "not a single" illegal migrant remains in Georgia following a record number of deportations.

Speaking to reporters, Kobakhidze said Georgia has deported more illegal migrants over the past year than it did during the previous 10 years combined, highlighting the government's intensified efforts to strengthen migration control.
