KAZAKHSTAN AND TÜRKİYE AGREE TO EXPAND COOPERATION IN THE NUCLEAR INDUSTRY

-

03.07.2026

Kazakhstan Today (1 July 2026)

Kazakhstan and Türkiye are launching a new phase of cooperation in the nuclear sector. The Nuclear Industry Development Association (AIDA) and the Nuclear Industry Association of Türkiye (NIATR) have signed a memorandum of cooperation, AIDA said.

The memorandum provides for closer partnership between the industry associations of the two countries, stronger international cooperation, the exchange of expertise and the implementation of joint initiatives in the field of nuclear energy.
