Political consultations between the Ministries of Foreign Affairs of Armenia and Canada were held in Ottawa on July 21.

The consultations were led by Armenian Deputy Foreign Minister Vahan Kostanyan and Canadas Associate Deputy Minister of Foreign Affairs Alexandre Lévêque.

The sides commended the current level of steadily developing bilateral relations, noting that the visit to Armenia by Canadian Prime Minister Mark Carneys delegation to attend the 8th Summit of the European Political Community had provided fresh momentum to ties between the two countries. They underscored the importance of maintaining regular high-level contacts.
