MassisPost (30 July 2026)

Prime Minister Nikol Pashinyan has warned that a failure to quickly resolve Russias restrictions on Armenian exports would mark the beginning of the end for the Eurasian Economic Union.

Speaking to reporters on July 29 following a meeting of the Civil Contract partys executive board, Pashinyan discussed his recent telephone conversation with Russian President Vladimir Putin.

At least on several issues, we reached a common understanding, Pashinyan said.
