Anadolu Agency (31 July 2026)

Indonesian President Prabowo Subianto said Friday that South Korean President Lee Jae Myung had asked him to help open a channel for dialogue with North Korea, according to state-run media.

Speaking at the State Palace in Jakarta, Prabowo said Lee made the request during his recent state visit to South Korea, Antara News reported.

"The South Korean president asked me whether I could visit North Korea to open some kind of dialogue," Prabowo said.
