Anvar Umarov

The Ferghana Region has agreed to accelerate cooperation with Chinese investors and attract new participants to implement projects in automotive component manufacturing, information technology, and agriculture, according to the Ferghana Region Khokimiyat.

On 11 August 2026, Khokim of Ferghana Region Khayrullo Bozorov met with a delegation of Chinese investors led by Zhang Zhonghua. During the meeting, the parties discussed new investment projects planned for implementation in the region with Chinese partners.

Zhang Zhonghua, advisor to the Khokim of Ferghana Region on attracting Chinese investment, reported that efforts are underway to attract additional Chinese business representatives interested in launching projects in the Ferghana Region.
