
ARMENIA AND INDIA AGREE TO JOINTLY DEVELOP DEFENSE TECHNOLOGIES

-

18.08.2026

MassisPost (17 August 2026)

Armenia and India have agreed to expand cooperation in defense technologies, research, innovation and joint production, following talks in Yerevan on August 17.

Armenian Minister of High-Tech Industry Davit Tadevosyan received a delegation headed by Indian Defence Secretary Rajesh Kumar Singh, who arrived in Armenia on an official visit.

According to Armenias Ministry of High-Tech Industry, the meeting focused on opportunities to expand Armenian-Indian cooperation in the defense industry and high-technology sectors, with particular emphasis on scientific research, development and innovation.
