Uzbekistans President Shavkat Mirziyoyevs official visit to Serbia reflects Tashkents continued efforts to translate its increasingly active foreign policy into practical economic partnerships. During the September 7 □□ visit, President Mirziyoyevs program includes talks with Serbian President Aleksandar Vučić in Belgrade, as well as a bilateral business forum focused on expanding trade, investment, and joint projects in transport, mechanical engineering, light and food industries, agriculture, pharmaceuticals, and information technology.
