Foreign minister says procedure for delimitation of Azerbaijan-Armenia border to begin from tripoint with Georgia; more specific issues will be discussed by commissions.

Azerbaijani Foreign Minister Jeyhun Bayramov said Wednesday that his country and neighboring Armenia agreed to conduct the delimitation process between their borders from north to south.

Citing his remarks to journalists on the sidelines of the 4th Climate Week (CW4) under the UN Framework Convention on Climate Change in Baku, Azerbaijani news outlets, including the APA and Trend news agencies, reported that Bayramov said the composition of Baku and Yerevan's delimitation commissions remains unchanged.
