## SERBIA OFFERS UZBEKISTAN COOPERATION ON BALLISTIC MISSILES

-

10.09.2026

---

The Caspian Post (9 September 2026)

*Serbia expects to begin producing long-range ballistic missiles within the next year and is ready to cooperate with Uzbekistan in this area, Serbian President Aleksandar Vučić said.*

Speaking at the Serbia-Uzbekistan Business Forum in Belgrade, Vučić said Serbias defense industry is developing with the involvement of foreign technologies and expertise, according to vucic.rs.
