
UZBEKISTAN WEIGHS JOINING RAILWAY PROJECT LINKING AZERBAIJAN'S NAKHCHIVAN TO TÜRKİYE

-

22.09.2026

The Caspian Post (21 September 2026)

Uzbekistan is considering participating in the construction of a railway linking Azerbaijan's Nakhchivan Autonomous Republic with Türkiye, which would provide access to the Turkish ports of Samsun and Istanbul.

The issue was discussed at a meeting chaired by Uzbekistan's President Shavkat Mirziyoyev on the implementation of major transport and logistics projects, The Caspian Post reports, citing the Uzbek presidential press service.
