
UZBEKISTAN, CHINA SIGN DEAL TO BOOST TRANSPORT CONNECTIVITY

-

25.09.2026

The Caspian Post (24 September 2026)

Uzbekistans Transport Minister Ilkhom Makhkamov and Chinas Transport Minister Liu Wei have held talks on expanding transport cooperation between the two countries.

The sides discussed increasing the number of air services and the volume of road freight, improving operating conditions for national carriers and strengthening transport and logistics links, according to gov.uz.
