The Caspian Post (28 September 2026)

On September 28, President of the State Oil Company of the Republic of Azerbaijan (SOCAR) Rovshan Najaf met with Alessandro Bernini, CEO of Italy's MAIRE Group.

During the meeting, the sides noted the dynamic development of the energy partnership between Azerbaijan and Italy, The Caspian Post reports, citing SOCAR.

They emphasized that SOCARs activities in Italy, including its acquisition of shares in Italiana Petroli, demonstrate the successful cooperation between the two countries.
