The Caspian Post (29 September 2026)

Military cybersecurity specialists from Azerbaijan, Türkiye, and Uzbekistan carried out cyber operations during Power of Unity - 2026 joint military exercise.

During the exercise, held at the Gizilgaya Training Center, military personnel from all three countries operated as a cyber operations group within a unified command structure, The Caspian Post reports, citing Azerbaijan's Defense Ministry.

In accordance with the exercise plan, the cyber operations group carried out tasks aimed at preventing cyberattacks by illegal armed groups and ensuring the security of the information and communication systems of the participating units.
