Uz Daily (29 September 2026)

Anvar Umarov

Military personnel from Uzbekistan, Türkiye, Azerbaijan and Pakistan took part in the Eternal Brotherhood-V international special tactical exercises in Uzbekistan. The exercises lasted about 10 days and included theoretical and practical training.

The exercises opened with a formal ceremony at the Institute of Land Forces.

During the training, the servicemen practiced coordination during special operations, exchanged experience and improved their tactical skills in conditions close to modern combat environments.
