
US ENDS MILITARY PRESENCE IN IRAQ AFTER 23 YEARS

-

01.10.2026

Anadolu Agency (30 September 2026)

Yasin Gungor

Iraq on Wednesday announced the end of the US-led international coalitions mission, marking a transition toward bilateral security relations with coalition member states, the prime ministers security adviser said.

The announcement comes as the US completes its military withdrawal from Iraq ahead of a Sept. 30 deadline, concluding a 12-year deployment launched to support the fight against ISIS (Daesh).
