Armenpress (1 October 2026)

The Armenian government must bring peoples confidence in peace to its final outcome □□□□ signing and ratification of the initialed peace agreement with Azerbaijan, PM Nikol Pashinyan has said.

Speaking at the Cabinet meeting, Pashinyan said that economic activity and real estate market indicators demonstrate citizens optimism.

Pashinyan said the economy is closely linked to peoples expectations and sentiments. He noted that economic indicators reflect confidence in peace despite the alarmist assessments circulating in the news.
