
MODI, TRUMP DISCUSS INDIA-US TRADE, DEFENSE, ENERGY TIES

-

01.10.2026

Anadolu Agency (30 September 2026)

Ahmad Adil

Indian Prime Minister Narendra Modi on Wednesday discussed India-US trade, defense and energy ties during a phone call with US President Donald Trump.

Modi wrote on US social media company X that he had a productive conversation with Trump.

We reviewed our bilateral cooperation in trade, defence, energy, critical technologies and other areas, Modi said, adding that they agreed to maintain close engagement to take our comprehensive global strategic partnership forward.
