
UZBEKISTAN AND OMAN DISCUSS COOPERATION IN GEOLOGY AND MINING

-

06.10.2026

Uz Daily (5 October 2026)

Anvar Umarov

An Uzbek delegation held a series of business meetings in the Sultanate of Oman, where the sides discussed the development of cooperation in geology, mining, geological exploration and investment attraction.

Deputy Minister of Mining Industry and Geology Rustam Yusupov met with representatives of Omani company Minerals Development Oman (MDO).

The sides considered opportunities for cooperation in organising geological exploration at promising sites, as well as developing deposits of precious minerals.
