
KAZAKHSTAN AND AZERBAIJAN PRESENT THE POTENTIAL OF THE TITR IN JAPAN

-

21.10.2026

Ministry of Foreign Affairs of the Republic of Kazakhstan (19 October 2026)

A conference was held in Tokyo on strengthening transport connectivity between Japan, Central Asia and the Caucasus through the development of the Trans-Caspian International Transport Route (hereinafter referred to as the TITR) and the launch of a direct air service between Tokyo and Almaty. The event, aimed at attracting Japanese investment in the TITRs infrastructure, brought together approximately 100 participants, including representatives of relevant government ministries, the Japan International Cooperation Agency (JICA), the Business Association ROTOBO, and Japans logistics sector.
