TÜRKİYE, UZBEKISTAN SİGN ENVIRONMENTAL COOPERATION AGREEMENT

-

10.11.2026

Anadolu Agency (9 November 2026)

Gizem Nisa Demir

Türkiye and Uzbekistan on Monday signed a pact on cooperation in environmential protection to strengthen joint efforts in tackling climate change, preventing air and water pollution, improving waste management, and promoting the circular economy, on day one of COP31, the UN Climate Change Conference hosted by Türkiye.

The agreement was signed in the southern Turkish city of Antalya following a meeting between COP31 President and Turkish Environment, Urbanization and Climate Change Minister Murat Kurum and Aziz Abdukhakimov, adviser to Uzbekistans president on environmental issues and chairman of the National Committee on Ecology and Climate Change, as part of COP31 engagements.
