Iraqi News Agency (12 November 2026)

On Thursday, the President of the Republic of Iraq discussed issues related to water, energy, and the economy as well as bilateral relations with his Turkish counterpart, Recep Tayyip Erdogan.

The two leaders also addressed regional developments and the ongoing crisis in the area, emphasizing the need for continued coordination and joint efforts to strengthen cooperation and contain regional tensions.

In a post on his personal account on the platform X (formerly Twitter) monitored by the Iraqi News Agency (INA) the President of the Republic stated: "We met with the President of the Republic of Turkiye, Recep Tayyip Erdogan, and expressed our gratitude for the excellent organization and hospitality provided during the United Nations Climate Change Conference (COP31) in Turkiye."
