IRAQ RESUMES CRUDE OIL EXPORTS THROUGH OLD PIPELINE TO TÜRKİYE

-

18.11.2026

Anadolu Agency (17 November 2026)

Mohammad Sio

Iraq said on Tuesday that it resumed crude oil exports through the old Iraq-Türkiye pipeline at an initial rate of 120,000 barrels per day (bpd), with plans to gradually increase shipments to 500,000 bpd.

Oil Minister Basim Mohammed Khudair said in a statement carried by the official Iraqi News Agency (INA) that pumping operations resumed after maintenance, rehabilitation and technical and operational testing were successfully completed.
