- 19.11.2026

Al Jazeera (19 November 2026)

The International Court of Justice (ICJ), the United Nations highest court, is set to rule in a landmark case accusing Myanmar of committing genocide against its Rohingya minority.

The reading of the judgment will begin at 10am (09:00 GMT) on Thursday at the Peace Palace in The Hague and is expected to last up to 90 minutes.

It could be the first time the court rules that a state has committed genocide.
