
ERDOGAN: WASHINGTON ACCORDS ACCELERATED BAKU-YEREVAN NORMALIZATION

- 03.09.2025

Report News Agency (2 September 2025)

The Washington accords have significantly accelerated the normalization process between Azerbaijan and Armenia, Turkish President Recep Tayyip Erdogan said while speaking to journalists aboard his return flight from China, Report informs.

The Turkish leader expressed hope for the swift establishment of lasting peace in the South Caucasus.

"The agreements reached in Washington between Baku and Yerevan have undoubtedly sped up the normalization process. Azerbaijan and Armenia have largely overcome obstacles to peace and are approaching the final stage," Erdogan stated.
