'Give my warmest regards to Vladimir Putin, and Kim Jong Un, as you conspire against The United States of America,' US president tells his Chinese counterpart

US President Donald Trump accused the leaders of China, North Korea and Russia of conspiring against the United States as Beijing hosted Chinas largest-ever military parade showcasing its growing military might.

Trump posted the remarks Tuesday on the US social media company Truth Socials platform, which he owns, writing: "The big question to be answered is whether or not President Xi of China will mention the massive amount of support and blood that The United States of America gave to China in order to help it secure its FREEDOM from a very unfriendly foreign invader."
