
HYPER-ZIONISM: HOW ISRAEL BECAME GERMANY'S 'REASON' FOR BEING

-

09.12.2025

Middle East Eye (8 December 2025)

Hossam el-Hamalawy

Since the Second World War, successive German leaders have narrowly defined rehabilitation of their Nazi past in terms of the state's relationship with Israel

Hans Kundnani's Hyper-Zionism: Germany, the Nazi Past and Israel arrives like a work written with nerves exposed.

It reads as an intervention, a warning, and a reckoning with a country that has elevated its remembrance culture and supposed moral duty to Israel into a civic religion.
