Türkiye-Armenia Joint Working Group meets in eastern Turkish province of Kars, highlights importance of rail link for regional connectivity.

Türkiye and Armenia have underlined the importance of reopening the Kars-Gyumri railway as soon as possible to enhance regional transport links, following a joint working group meeting, the Turkish Foreign Ministry said on Tuesday.

In a statement, the ministry said the Türkiye-Armenia Joint Working Group on the rehabilitation and operationalization of the Kars-Gyumri railway convened in the eastern Turkish province of Kars on Apr. 28.
