
TURKMEN ENERGY TRANSIT THROUGH GEORGIA TAKES CENTER STAGE IN PRESIDENTIAL TALKS

-

17.07.2026

The Caspian Post (16 July 2026)

Turkmenistan and Georgia have discussed integrating the capabilities of the Turkmenbashi International Seaport and Georgia's Port of Poti as part of efforts to strengthen transport connectivity between Central Asia and Europe.

The initiative was a key topic during talks between Turkmen President Serdar Berdimuhamedov and Georgian President Mikheil Kavelashvili in Tbilisi, The Caspian Post reports via Asman News.
