18.01.2019

Aware of the advance of the digital age and in an attempt to be able to adapt to the novelties brought by this new age, Center for Eurasian Studies (AVİM) decided to publish all AVİM publications online for open access with the aim of reaching out to a broader audience.

In that context, the three peer-reviewed journals that are indexed in several databases including TR Dizin and EBSCO-Host -Ermeni Araştırmaları, Review of Armenian Studies and International Crimes and History- and a semi-academic journal Eurasian World will be available for open acces through AVİM website and Dergipark.

For the archives of AVİM journals and other publications accessible online, please visit www.avim.org.tr.
